Date:

**REPORT OF THE FACILITIES AND INITIATIVES FOR**

**ALTERNATE SOURCES OF ENERGY AND ENERGY CONSERVATION MEASURES**

The institution has been taking all possible initiatives for energy conservation measures. From the date of establishment of the institution Oil India Limited, a premiere oil & gas exploration company with its head quarter based in Duliajan, has been providing free electricity to the institution under CSR activity of the company. Nevertheless, the college has taking some measures for energy conservation like replacement of all conventional light bulbs with power efficient LED bulbs and tubes, installation of few outdoor solar light and power efficient electric equipments like refrigerator, etc. the outdoor solar lights were provided under Govt. Scheme by the local M.L.A.

## **MANAGEMENT OF THE VARIOUS TYPES OF DEGRADABLE AND NON-DEGRADABLE WASTE**

For managing biodegradable and non-biodegradable wastes generated in the college, a Vermicompost unit has been set up to manage the biodegradable wastes. The Vermicompost produced in the unit is used for the herbal garden and flower garden of the college. The non-biodegradable wastes are regularly collected by garbage collection trucks sent by Sanitation Department of Oil India Limited.

**GREEN CAMPUS INITIATIVES**

The college has a lush green environment full of different species of plants. The college takes all possible initiatives to build an eco-friendly green environment through regular plantation programmes along with the management of the planted saplings. The college has a Botanical Garden having about 150 species of local, endemic medicinal plants which is maintained by the Botany Department with the help of College authority. The college has also established a Herbal Garden with variety of local medicinal herbs and an area of 1 acre which has been developed as a virgin Micro-Forest for germplasm conservation.

## DISABLED-FRIENDLY, BARRIER FREE ENVIRONMENT

Although a few number of divyangjan students get enrolled in the college every academic year, the college is taking all possible measures to provide disabled-friendly and barrier free environment to such students. There is the provision of Wheel chair, ramps, barrier free corridors and footpaths as well as special toilet facility for divangjan students. The college also provide scribes for some divangjan students from the student community during examinations.
